IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. Therefore when you open an account, the Funds will ask for your name, address, date of birth and other information that will allow the Funds to identify you. The Funds may also ask to see your driver's license or other identification documents. The Funds must return your Application if any of this information is missing. The Funds may also close your account or take other appropriate action if we are unable to verify your identity within a reasonable time. If your account is closed for this reason, your shares will be redeemed at the next calculated NAV after the account is closed.

To ensure the accuracy of your account information, please do not remove this address label, even if the account is registered differently.
